ANNUAL REPORT 2010

John Husband
Firm Chair

MESSAGE FROM THE CHAIR OF HOLLAND & HART

In 2010, our communities continued to struggle with the effects of an uncertain economic climate. Despite some signs that the economy was on the mend, our friends and neighbors continued to face difficulties in sustaining themselves and their families. The Holland & Hart Foundation's mission encourages all of us to band together and give of our time and resources to strengthen our communities; that call is even louder in these difficult times.

Through the Foundation, the efforts of our colleagues and their families answered that call in 2010. The firm-wide annual food drive collected 18,707 pounds of food and cash donations this year – a 5,000 pound increase over last year, and more than in any other previous year. In fact, one recipient of the donations, the Soup Kitchen in Denver, reported in November that the food it received from our donations would feed its hungry through the remainder of 2010 and into the beginning of 2011. Once again, the Stern Family Summer Project introduced our children to volunteerism and the spirit of giving by encouraging them to volunteer

with nonprofits of their choice and to write letters of request for funds to support those organizations.

I hope that reading our annual report does more than simply enlighten you about the heartwarming efforts of the many volunteers involved with the Foundation – I hope it confirms what a remarkable group of people work at this firm, and I hope it inspires you to give of your own time and energy. I look forward to sharing an exciting 2011 with you.

Sincerely,

John Husband

MESSAGE FROM THE PRESIDENT OF THE HOLLAND & HART FOUNDATION

Excitement and joy filled the air, and it wasn't just because of the cookies and milk! As the 2010 Stern Summer Project recipients picked up the checks for their selected organizations, their certificates and, yes, dessert, I was reminded once again what a humbling experience it is to see the amazing work being done by fellow colleagues. And each child's letter – and even one PowerPoint! – reinforced my belief in the work of the Foundation. As one mother whose children joined in this annual project of the Foundation put it, by participating in the 2010 Stern Summer Project, "we were changed for the good by witnessing the good of others."

I am pleased to report that volunteers in each of our offices responded to the demands of an ongoing recession by devoting countless hours, boundless energy, and care and attention to Foundation activities in each office.

I hope you enjoy reading about the wonderful programs conceived of and executed by members of our Holland & Hart community.

On behalf of the Foundation, thanks to each of you who volunteered your time, energy, or money for a Foundation activity or cause over the past year. If you haven't gotten involved, I hope that reading about the compelling work being done by friends and colleagues will inspire you and your families to join us in the future.

Best,

Ashley

HOLLAND & HART ANNUAL FIRM-WIDE FOOD DRIVE

This year, Holland & Hart went above and beyond to collect cash and food to donate to 17 charities across our footprint. Through the years, our firm has demonstrated a strong commitment to our communities by contributing to the Food Drive. In 2008, we collected 11,213 lbs. of donations. In 2009, we collected 13,459 lbs. of donations. This year, we surpassed both of these achievements by collecting 18,707 lbs. of food and cash donations.

The 2010 Golden Can Winner for the office (or floor in Denver) with the most pounds collected per person (drumroll please...) was the **32nd floor in Denver**, which had **87.45 lbs. of donations per person!**

The **Aspen office** came in second place with **61.4 lbs. per person**. And many offices/floors had 100% participation in the drive! Congratulations, and thank you to everyone who contributed this year!

Special thanks to Susan Combs, Charles Davis (who handled both the 13th floor and 32nd floor in Denver), Randi Dixon, Dave Enninga, Lee Gray, Sarah Hall, Annie Haselfeld, Pam Hope, Leslie Hoyt, Pauli Ingwersen, Debbie Jenkins, Kip Kelley, Cecilia Martin, Mike Martin, Pam Moritz, Mynde Pineau, Kami Pomerantz, Brenda Proskey, Adam Rankin, Nina Schein, Jamie Sheridan, Rosa Smith, Barbara Thurgood, Sally Wetherbee and Craig Willis for acting as floor or office

coordinators. Thank you, too, to Rita Christensen for designing this year's posters.

"The Chairman of the Board of the Soup Kitchen in Denver contacted us to say that our donations had filled the Soup Kitchen's shelves for the rest of 2010 and well into 2011. He was overwhelmed by the amount donated by the Denver office!"

THE STERN FAMILY PROJECT

Thanks to the generosity of the Stern family, long-time clients of the firm, our summer program for children was once again a success in 2010. We saw the children, grandchildren, nephews, and nieces of our Holland & Hart community learn about volunteering in their communities. First, children are invited to send a letter of request for funds to support nonprofits of their choice. We encourage the children to visit their organizations and even volunteer, if possible, and tell us about their experiences. We receive thoughtful letters from the children as they discover members of their communities in need.

The children have sent requests for organizations involved with everything from weekend food backpacks for school children who otherwise would not have enough to eat on weekends, to homeless shelters, Special Olympics, Boys and Girls Clubs, animal shelters, local athletic organizations, battered women's shelters, medical programs, and many more. Every child receives funds for his/her chosen organization. Each year, it seems as though the relatives of the children involved get as much, if not more, pleasure out of this wonderful project.

The 2010 Stern Project included children of Holland & Hart attorneys and staff from Denver, Cheyenne, and Salt Lake City.

Thanks to the Stern Family Project, all of these participants learned about helping others and will hopefully be inspired to get involved in more philanthropic activities in the future.

Shadae Beasley was awarded the Promise Scholarship of \$500, Lula Moore received the Teacher of the Year Award for \$300, and Donna Love received the Assistant Teacher of the Year Award for \$100. They received certificates congratulating and thanking them for their hard work and their contributions to the West Tallahatchie School District.

The Holland & Hart Aspen office once again collected food for the annual food drive. Every member of the office contributed donations, which exceeded 514 lbs. of goods and more than \$100 in cash.

"The Aspen office came in second in the annual firm-wide food drive!"

In addition, many Aspen office employees do outside volunteer work in the community, including:

The Holland & Hart Billings office put together 48 kits of toiletries and other personal items for women at the Gateway House (a shelter for battered women) as well as approximately 40 backpacks stuffed with kids' toiletries and fun items. Many attorneys and staff took part in this project and had a great time doing it. We delivered the kits and backpacks and were treated to a tour of the facilities. It was a very humbling experience!

CAMP ERIN

Camp Erin is a weekend overnight camp for children grieving the death of a loved one. There are a number of activities offered, among them storytelling, campfires, and swimming. Our team from Holland & Hart Boise included the following people:

- Tammy Killian—photographer
- Michael Killian, Colleen Crow, and Jim Crow—cabin Big Buddies

- Linda Desimone and Katherine Burkett—organized and handled the canoeing and kayaking event.

RAKE UP BOISE

In late fall, the City of Trees turns into the city of leaves. These leaves pose a problem for many senior and disabled residents who are unable to rake and winterize their yards. During this annual event, a group of volunteers raked up the Ronald McDonald House. After completing the big tasks, Linda and Lu Jones opened their home to volunteers to enjoy some buffalo chili and duck chili with all the fixings.

CARSON CITY

ADOPT-A-FAMILY

The Holland & Hart Reno and Carson City offices participated in an Adopt-a-Family project in December. The group adopted a family from each of the following organizations:

- Children's Cancer Society
- Children's Cabinet
- Give Hope Foundation

Everyone in the Reno and Carson City offices volunteered, donated gift cards, brought in presents, or provided cash. The total money raised was nearly \$1,700. In addition to presents, each family received a holiday card with \$200 cash and gift cards.

The office also adopted six additional children through the Children's Cancer Society who would not otherwise have received any presents this year.

FOOD BANK OF NORTHERN NEVADA

The Holland & Hart Reno and Carson City offices participated in the firm-wide food drive held October 21st through November 4th. Reno goods were donated to the Food Bank of Northern Nevada, and Carson City goods were donated to Friends in Service Helping (FISH). The Carson City office won the Golden Can Award in 2008!

CHEYENNE

FESTIVAL OF TREES

The Holland & Hart Cheyenne office decorated a Christmas tree for the Festival of Trees in support of the Mentor Ability Program. This program goes into schools and helps disabled children develop careers and find jobs upon graduation. The theme of the event was "An Old-Fashioned Western Christmas," and the entire office, including family members, participated in decorating and/or shopping. Our tree was chosen to raffle off because it was so beautiful, and it raised over \$1,200 for the Mentor Ability Program.

"We are especially proud of our first attempt at decorating a Christmas tree for the Mentor Ability Program. It was singled out as such a special tree that it was raffled off to make more money!"

COLORADO SPRINGS

"We had 100% participation in the Adopt-a-Student Program."

SALVATION ARMY'S ADOPT-A-STUDENT PROGRAM
 In December, the Colorado Springs office once again participated in the local Salvation Army's Adopt-A-Student Program. The Adopt-A-Student Program relies on teachers and counselors to identify students in need during the holiday season. Each child is then matched with a person or group interested in purchasing two gifts for their assigned child. We had 100% participation and were able to adopt and provide gifts for 15 children.

THANKSGIVING FOOD DRIVE
 We also had a successful food drive again this year just before the Thanksgiving holiday. Working together, our office of only 11 generated more than 30 pounds of food and \$375 in cash donations. 2010 was another hard year for the Colorado Springs community, but our efforts helped the Care and Share Food Bank for Southern Colorado to provide more than 2,600 meals for hungry members of our community.

Trick-or-treaters celebrate their loot.

DENVER

HOPE CENTER HALLOWEEN
 Each year, the Denver office looks forward to some very special trick-or-treaters thanks to April Hurst and her committee. For an hour or two in late October, the halls of our Denver office are filled with tiny ghosts and goblins from the Hope Center. In 2010, we were visited by over 115 preschoolers! A magic show by Holland & Hart's very own Baffling Barrister, attorney/magician Bill Schmidt, provided entertainment for the children and volunteers.

"Samta" and Mrs. Claus

ROCKY MOUNTAIN CHILDREN'S LAW CENTER AND JEWISH FAMILY SERVICE
 A flurry of shopping happens in late November and early December for a special group of people. Thanks go out to Brenda Proskey and her committee for coordinating with the Rocky Mountain Children's Law Center and Jewish Family Service. Because of their work, the Denver office provided gifts and gift cards to over 75 children and adults this year. This is a very special event for us. We close the week with a special holiday party for the volunteers and their families, including a visit by our very own "Samta" Claus (Foundation founder Sam Guyton), and this year's special guest – the Baffling Barrister!

DENVER TECH CENTER

BANSBACH ACADEMY AT THE DENVER CHILDREN'S HOME

Many students at the Denver Children's Home have long histories of school failure and undiagnosed learning disabilities. Bansbach Academy provides a successful and safe academic experience in which students can learn new skills designed to promote future school success. Our school supply drive provided much-needed supplies for the unique programs offered at the DCH that enable these children to function and thrive in school—sometimes for the first time in their lives.

FIRM-WIDE FOOD DRIVE

Our food drive benefitted the Covenant Cupboard Food Pantry. For almost 15 years, Covenant Cupboard has addressed the food security needs of seniors, disabled individuals, and the unemployed or underemployed households in our community in a compassionate, dignified, and secure environment. Last year, Covenant Cupboard served over 17,000 people, averaging 100 families per week. We provided 905 pounds of food, which averaged over 25 pounds per employee in the DTC office.

"The DTC office is proud of the wide participation of those working in our office. Over the course of the year, every member of the DTC office participates in at least one Foundation activity."

JACKSON HOLE

JH FOOD CUPBOARD

WASHOE COUNTY SCHOOL DISTRICT BOOK DRIVE

In March, our Holland & Hart Reno and Carson City offices teamed up with Washoe County School District to hold a book drive for the Read & Succeed Program. Organizers told us it was the largest, most successful book drive they have ever had (nearly 700 books were donated). Some of our lawyers and their spouses participated in the Read & Succeed Program.

BIG BROTHERS BIG SISTERS BOWL-A-THON

In August, employees paid \$5 for the privilege of wearing a crazy hat or flip flops on a Friday

to benefit the Big Brothers Big Sisters Bowl-a-Thon. We also held a potluck in the Reno office and asked employees to pay \$5 for each lunch. These two projects raised nearly \$350 for the Bowl-a-Thon. We had two bowling teams, and the team members raised an additional \$240 for Big Brothers Big Sisters.

WALK TO CURE DIABETES

The Foundation committee formed a team of seven for the Walk to Cure Diabetes, held on October 10, 2010, and we raised nearly \$900 to benefit the Juvenile Diabetes Research Foundation.

"Our book drive was the largest, most successful book drive the school ever had!"

SALT LAKE CITY

UNITED WAY DAY-TREE UTAH

On September 8, 2010, Salt Lake City volunteers worked at TreeUtah weeding and cleaning up its eco garden for spring planting. TreeUtah is a nonprofit organization dedicated to tree planting and education. It seeks to educate the public about the environmental and social benefits that healthy tree communities provide.

MOTHERS WITHOUT BORDERS

For the second year in a row, our office collected money and purchased medical supplies to help Mothers Without Borders care for orphaned and vulnerable children in Zambia. The organization supports children

in orphanages in Romania, Mexico, Guatemala, Ecuador, Nepal, and Bolivia, and those living in the streets in Africa and India. Josh Randall, Doreen Neumann and Bryan Pratt spearheaded this project.

SUSAN G. KOMEN RACE FOR THE CURE

Each May, our office participates in the Komen Race for the Cure 5K walk/run event. We have great participation from our office, and donations go to breast cancer research.

"The Holland & Hart Salt Lake City office has 94 people, all of whom contributed to a Holland & Hart Foundation project in some way."

SANTA FE

ANNUAL THANKSGIVING DRIVE

Each year the Holland & Hart Santa Fe office provides complete Thanksgiving dinners to the Santa Fe Food Depot. This year we provided 10 total meals. Different volunteers did the shopping, assembling, and delivery. As always, the meals were much appreciated.

BIG BROTHERS BIG SISTERS BOWL FOR KIDS' SAKE

The Santa Fe office participated in this annual bowl-a-thon for the first time this year. Office members raised money and had a blast bowling, all to benefit the Big Brothers Big Sisters of Santa Fe.

HALLOWEEN PARTY FOR CASA ESPERANZA SHELTER

We heard through the grapevine that this local battered women's shelter had no money to celebrate Halloween and was especially full at that time. The Santa Fe office sponsored a party for clients of the shelter, complete with decorations, 50 pumpkins for carving, and candy and snacks. Buying the pumpkins as a team was fun, they filled the back of a pickup truck!

ADDITIONAL 2010 PROJECTS

- Parking lot fundraisers on Indian Market and Spanish Market
- Coats for Kids at Christmas

"We had participation by both lawyers and staff in the office."

Kelly Johnson kindly volunteered to take the donated goods to the Arlington-Alexandria Coalition for the Homeless. The donations were much needed and greatly appreciated.

OPEN DOOR SHELTER

During the month of January, we had our first annual coat drive, which was a huge success. The Washington, D.C., office employees generously donated over 100 outerwear garments, including jackets, coats, scarves, hats, and gloves. Nils Johnson helped deliver the donated items to the Open Door Shelter in Washington, D.C.

2010 HHF Backpack & School Supplies – Sherry Robinson and Deana Lewis

ADDITIONAL 2010 PROJECTS

- 2010 Backpack & School Supply Drive

"Our Family Adoption Program consisted of 6 families (23 individuals). This is by far the largest number of families adopted since the Washington, D.C., office began the Holiday Hookup and the Family Adoption program in 2006. Nearly everyone told stories about being unemployed and requested basic, day-to-day supplies and items we often take for granted. Hearing their stories made us feel very appreciative and grateful."

HOLLAND & HART FOUNDATION

Launched in 1998 by Holland & Hart partner Sam Guyton and his wife, Jean, the Holland & Hart Foundation is a 501(c)(3) organization with three primary goals:

- Create opportunities for individual and group volunteerism at Holland & Hart
