# LEADERSHIP LETTER

On behalf of the Board of Directors of the Holland & Hart Foundation (Foundation), we want to take a moment to thank each of you who contributed to the Foundation's achievements in 2017. Our office committees, dedicated volunteers, and generous donors helped bring out the very best in the people at Holland & Hart.

To celebrate the 70th anniversary of the founding of the firm on July 1, 1947, each office undertook special projects, many of which you'll see in this year's Annual Report. Our 2017 Annual Firm-Wide Sock and Food Drive collected more than 6,250 pairs of socks, 600 pounds of food, and \$9,000 (details on pages 4-5). The Stern Family Summer Project continued to inspire another generation of philanthropists, encouraging both children and their families to get involved with local charities. We continued to fill students' backpacks with weekend meals and school supplies. We made sure that people's holiday wishes would come true with holiday drives and giving trees. We got our hands dirty building bikes for local school children. It was a busy year and our volunteers touched many lives. We hope you enjoy reading about the contributions of each of our offices this year (visit our [website](#) to learn about all of our projects), and we hope you'll join us in the upcoming year as we celebrate the Foundation's 20th anniversary. Join us on Facebook to learn about upcoming events at an office near you.

Sincerely,

Three handwritten signatures in blue ink are displayed side-by-side. From left to right, they read: Ashley Wald, Chris J. Balda, and Tom O'Donnell.

Ashley, Chris, and Tom

# ANNUAL FIRM-WIDE SOCK AND FOOD DRIVE

This year we switched things up a bit, collecting socks, food, and cash.

**In total, we collected more than 6,250 pairs of socks, nearly 600 lbs of food, and more than \$9,000!** That helped warm a lot of feet and served a lot of meals this holiday season!

# PARTNER RETREAT BIKE BUILD

A team of 28 partners from across the firm—joined by Sam and Jean Guyton—built 50 bikes during the partnership retreat alongside the eager young children who each received a new bike and helmet. The bikes were built onsite at Clare Gardens, a Mercy Housing project in Denver.

*At the partnership retreat in September, attorneys built bikes with Sam and Jean Guyton, founders of the Holland & Hart Foundation.*

# MISSISSIPPI PROJECT

For 14 years, the Foundation has partnered with the West Tallahatchie School District, one of the poorest school districts in the nation, to fund 3 scholarships that help support teachers and students. In the fall of 2017, Sam and Jean Guyton visited the District and met with students, teachers, and the principal of Bearden Elementary School and Webb High School. Sam and Jean were heartened to learn of progress being made at the schools: reading scores are improving at the elementary school; at the high school, 93% of students who enter as freshman now graduate, and about 20% of those seniors attend college. This is a dramatic improvement in achievement from 2003, when the Foundation first began supporting the District. Sam and Jean were touched by the gratitude of school officials and the former Superintendent for the Foundation's support. The Foundation is the only organization to provide the District with consistent help over the years.

# STERN FAMILY SUMMER PROJECT

The Stern Family Summer Project provides an opportunity for children and young relatives of members of the firm to learn the value of philanthropy and volunteerism at an early age. This year, the 12th year of the project, 24 children ranging from age 3 to age 17 with connections to the firm's Boise, Boulder, Cheyenne, Denver, Denver Tech Center, and Salt Lake City offices volunteered or visited an organization of their choice and shared their experience in a letter or a drawing. \$2,400 was donated to 12 organizations in the names of the children who participated on behalf of our generous donor, the Stern Family.

## ASHLEY, LAUREN, AND ZACK LINDLEY - FRIENDS OF ZOO BOISE

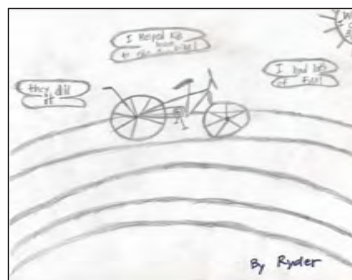

## HAILEY AND SAMMY HURLEY - SIMPLY CATS ADOPTION CENTER

# STERN FAMILY SUMMER PROJECT

## BEN AND PAIGE HUSA AND MATTEO AND RYDER MEALE - ICANBIKE (PART OF ICAN SHINE)

by Matteo

I volunteered this summer

Courageous kids

All of the kids used it and

never afraid of falling

Bikes are awesome!

I think volunteering is fun

Kids are always worth it

Everyone needs to be able to ride

## CARTER MAXWELL - OPERATION UNDERGROUND RAILROAD

## EMMA, GRACE, AND NICHOLAS MAXWELL - COLORADO CENTER FOR THE BLIND

# STERN FAMILY SUMMER PROJECT

MACIE BERRY AND DALTON AND HUDSON CALL - SOUL FOOD USA

# STERN FAMILY SUMMER PROJECT

## CADEN, DAVID, AND PAIGE OLSEN - PACK'N POUNCE

Dear H&H Foundation:

I love Pack'n Pounce. I hope Brave Heart gets enough money for his heart surgery. I will be very very happy when all the dogs, cats, horses, bunny's, turtles and chinchillas get adopted. I am happy that I volunteer and help the animals. And I am happy that they rescue the animals and that we can adopt them.

Brave Heart:

From Cadence☺

### *Pack 'N Pounce*

Pack 'N Pounce is an awesome place to go if you want to adopt a pet. I highly recommend them. Pack 'N Pounce has the nicest owners. I am a volunteer. I go almost every Friday and Saturday. I help socialize the animals to be adopted. I have met many puppies, dogs and cats. I also have fostered 1 pup I was also the one that named him I called him Marshmallow. He is so nice I love him. Also there is the sweetest little puppy his name is Brave Heart. He has a heart problem the main blood tube is too small to pump blood so his heart keeps expanding till he dies. He might die at the end of this month if we don't raise enough money the surgery is 6,000 dollars. So far they have 4,000 dollars. They need 2,000 more. Pack'n pounce is an organization that rescues and saves animal lives. I wish that I can always volunteer here. It is my favorite animal shelter.

David Olsen

# STERN FAMILY SUMMER PROJECT

## OLIVIA MAY - MAKE-A-WISH FOUNDATION

Hi. My name is Olivia May and I am a gymnast at Colorado Gymnastics Institute. Our gym has partnered with Laurie Hernandez, a USA gymnastics Olympic gold medalist, to raise money for Make-a-Wish Foundation. Make-a-Wish Foundation grants wishes to children with life threatening illnesses. My cousin Sophia has Tuberosus Sclerosis Complex and she got a wish from Make-a-Wish last year. She got to go to Disney World and Sea World with her mom and dad and sister and it made her so happy. She has to have a lot of surgeries but she got to feel like a normal kid on her trip. That's why Make-a-Wish is so important to me and our family. I am fundraising for Make-a-Wish this summer and my sister and brother are helping me. Each gymnast at our gym that raises at least \$250 will get to go to a clinic with Laurie Hernandez. We can also win other prizes along the way. However, my sister and I want to do more, since Make-a-Wish did helps kids like Sophia. We have a goal of raising \$3000 so that we can make a child's wish come true. We came up with lots of fundraising ideas including a gymnastic clinic for preschoolers, a lemonade stand, and selling candy and fidget spinners to our neighbors for a donation. I wrote a speech and then practiced it and memorized it and then have been going door to door trying to get donations. We have made over \$1000 by selling fidget spinners and candy. We have worked really hard and will keep fundraising until we reach our goal. We have raised \$2200 so far and won't stop until we hit \$3000! You can donate to my campaign at

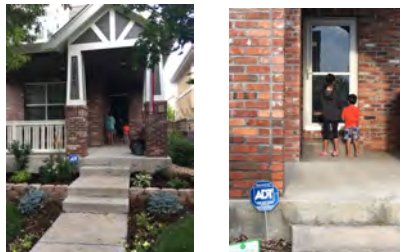

<http://cgigymnasticfuntasticwithlaurie.org/gymnast/oliviamay/>

Or by writing a check to Stars Booster Club. Thank you in advance for your support!

Here are pictures of my cousin Sophia on her Make a Wish Trip.

Here are some pictures of us going door to door:

Here are some pictures of me from this summer when I was brainstorming fundraising ideas. I do my best thinking upside down.

And here's a picture of my face.

Thank you. Love, Olivia May, age 10

OLIVIA GREGORIO - ST. MARY'S CATHEDRAL ST. STEPHEN'S MISSION

# ANCHORAGE

## COVENANT HOUSE LUNCH SERVICE

The Anchorage office made and served lunch for the teens and workers at Covenant House Alaska. Covenant House Alaska has served thousands of homeless, at-risk, and trafficked youth in Alaska. Their mission is to help youth in crisis 24 hours a day, 7 days a week, 365 days a year through programs including emergency shelter, street outreach, transitional living programs and associated services, including housing, health care, youth enrichment, and employment/ education assistance.

# ASPEN

## ASPEN ANIMAL SHELTER

The Aspen Animal Shelter is a “no-kill” shelter that provides sanctuary for animals until owners can be found. In July, 6 members of the Aspen office spent an afternoon with dogs, cats, and birds to give them plenty of human interaction, exercise, and play. We talked to parakeets, parrots, and Sugar, the white cockatoo. We played with cats and dogs whose owners had neglected or abandoned them; notably Honey, the month-old hound. We walked with a family of dogs: Max (the dad), Winston, and Lasso (the brothers) who were nervous newcomers to the shelter and had not yet been outside.

# BOULDER

## GROVE FOUNDATION

A team of 25 volunteers spent a sunny July afternoon at the Grove Foundation assembling fall program kits for elementary school garden projects and organizing storage units. The Grove Foundation provides students with engaging educational experiences in school gardens that connect them to food, how it's grown, and why fruits and vegetables are essential to their diet.

## ADDITIONAL 2017 PROJECTS:

- Adopt-A-Family
- Crayons to Calculators

# DENVER

## BROTHER'S REDEVELOPMENT PAINT-A-THON

Brothers Redevelopment, Inc. provides safe, affordable, accessible housing and housing services for low-income, elderly, and disabled Colorado residents. BRI's Paint-a-Thon program, created in 1978, is a free service to residents who need their homes painted. For the fourth summer, the Denver-area offices supplied funds to purchase painting materials and an enthusiastic team of 10 volunteers worked through the July heat to restore the home of a local Army veteran who served two tours in Korea and two tours in Vietnam.

## ADDITIONAL 2017 PROJECTS:

- Dress for Success Clothing Drive
- Giving from the Hart/"Samta" Party
- Hope Center Halloween Parade
- Lennox House Thanksgiving Pies
- Lutheran Family Services School Supply Drive
- Meals on Wheels
- Pocket Flag Project
- Spring Community Food Drive
- Trinity Church Soup Kitchen Lunch Service
- Volunteers for Outdoor Colorado

# DENVER TECH CENTER

## WISH FOR WHEELS BIKE BUILD

The DTC office again partnered with Wish for Wheels on a bike build project. 30 employees and family members had fun assembling bicycles that we delivered to about 70 excited kids at Denver-area housing projects operated by Mercy Housing. The children who received bikes ranged in age from 5 to 8 and were all very excited to get their first bicycle.

## ADDITIONAL 2017 PROJECT:

- Covenant House Food Drive

# WASHINGTON, D.C.

## CHILDREN OF MINE SUMMER BBQ

In July, the Washington, D.C. office hosted its second annual summer BBQ for the kids of the Children of Mine Youth Center in Southeast Washington, D.C. More than 50 children from the Children of Mine Center enjoyed an afternoon of crafts, face-painting, a cotton candy machine, and an inflatable water slide for much fun in the sun.

## ADDITIONAL 2017 PROJECTS:

- Children of Mine Holiday Party
- Bridges to Independence Holiday Helpers Event

# BOISE

## RAKE UP BOISE

The Foundation partnered with client A10 Capital to participate in the 31st Rake Up Boise in November. Our team of more than 24 volunteers raked 4 different homes, filling 50+ bags. We joined thousands of volunteers across the city who raked 900 homes for the annual Neighborhood Works Project, which supports disabled or age 65+ residents in Boise and Garden City who are unable to handle fall leaf removal.

## ADDITIONAL 2017 PROJECTS:

- Back to School
- Empty Bowls
- Idaho Food Bank
- Sunset Park Cleanup
- Ronald McDonald House Meals
- United Way Book Project
- Women's and Children's Alliance (Back-to-School Project, Holiday Project, Idaho Denim Day)

# BILLINGS

## READING ROCKS

Reading Rocks is a summer program where children are provided with free lunches at various parks around Billings. After lunch, a storyteller reads a short story to the group. The children then pick out a book to read on their own or with a volunteer. Each child is able to take home one book after each lunch. The program helps children who may not have access to books at home or who may not regularly spend time reading. A team of 8 Billings office members volunteered as reading buddies for the program in July.

## ADDITIONAL 2017 PROJECTS:

- Festival of Trees
- Secret Santa

# CARSON CITY

## BOYS & GIRLS CLUBS OF WESTERN NEVADA HOLIDAY PARTY AND SWEATSHIRT GIVE AWAY

Members of the Carson City office donated \$600 towards the purchase of sweatshirts that were handed out to each member of the BGCWN at the annual holiday party. The Foundation provided an additional \$480 so we could double the number of sweatshirts provided last year! Our donation this year allowed us to give 100 members of the BGCWN a warm sweatshirt. Volunteers attended the BGCWN holiday party to help hand out sweatshirts and to take pictures of the children with Santa.

# LAS VEGAS

## HYGIENE KIT PROJECT

35 members of the Las Vegas office gathered in our board room to assemble hygiene kits and food kits for homeless children in Las Vegas supported by the Nevada Partnership for Homeless Youth. We shopped for and donated supplies—2,084 individual food and hygiene items—to assemble 130 hygiene kits and approximately 160 food kits.

## ADDITIONAL 2017 PROJECTS:

- Las Vegas Rescue Mission
- Shoes That Fit

## CLOTHING DRIVE

Most members of the Reno office participated in our annual clothing and household item drive gathering donations from friends and family to benefit Step2 and Big Brothers Big Sisters of Northern Nevada. We broke our record this year, collecting and donating 2,403 pounds of clothing and household items! Hundreds of women struggling to overcome abuse, poverty, and family violence will benefit from our donations.

## ADDITIONAL 2017 PROJECTS:

- Adopt-A-Family
- Washoe County School District Book Cleaning

# SANTA FE

## SANTA FE WATERSHED ASSOCIATION ARROYO CLEANUP

A dedicated team of 6 volunteers spent a morning cleaning up the Arroyo Mascaras, a river in our office's neighborhood. We partnered with the Santa Fe Watershed Association, a local group whose mission is to protect and restore the health and vibrancy of the Santa Fe River and its watershed for the benefit of local residents and the environment.

## ADDITIONAL 2017 PROJECT:

- St. Elizabeth's Shelter Dinner

# SALT LAKE CITY

## UNITED WAY DAY OF CARING

Over 20 volunteers from the Salt Lake City office spent the morning at the Rose Park Community Garden where refugee families plant gardens for their personal use. We weeded and shoveled and hauled compost and wood chips, while enjoying some great time together in the Salt Lake community.

## ADDITIONAL 2017 PROJECTS:

- Ronald McDonald House Lunch
- United Way Startup Santa Book Drive
- Utah Foster Care Giving Tree
- Wasatch Hollow Preserve Trail Cleanup

# CHEYENNE

## CHEYENNE PARKS AND RECREATION FENCE STAINING

The Cheyenne office worked with the City of Cheyenne and Parks and Recreation Department to stain a fence at Romero Park. The fence, which had sorely needed a fresh coat of stain for some time, adds beauty to a park in need in Cheyenne. Our group of 12 energetic volunteers re-stained the entire fence to help out the City of Cheyenne.

## ADDITIONAL 2017 PROJECTS:

- Cheyenne Day of Giving
- Family Christmas
- Operation Back to School

# JACKSON HOLE

## JACKSON HOLE WILDLIFE FOUNDATION FRIENDLIER FENCING PROGRAM

A small but dedicated group endured a cold, blustery September day volunteering for the Jackson Hole Wildlife Foundation's Friendlier Fencing Program to remove unnecessary fencing. Our regional area is laced with thousands of miles of dilapidated or obsolete fencing that impedes wildlife migration and routinely injures animals. The program works with landowners to identify feasible ways to accommodate wildlife movement and make fences safer for wildlife.

## ADDITIONAL 2017 PROJECTS:

- Friday Food Bag Project

# LAWYERS IN THE CLASSROOM

Lawyers in the Classroom was started by the Constitutional Rights Foundation Chicago and is managed in Denver by the Center for Education in Law & Democracy and Denver Public Schools. Coordinated by Denver attorney Todd Criger, volunteer lawyers teach primarily lower-income elementary and middle school classroom students about basic aspects of our country's laws and constitutional rights in a fun and engaging format.

In 2017, 72 attorneys from the firm's Denver, Denver Tech Center, and Boulder offices visited 32 classrooms at 12 different Denver Public School District elementary schools teaching students about the Bill of Rights, rule-making, and how courts interpret laws.

Launched in 1998 by Holland & Hart partner Sam Guyton and his wife, Jean, the Holland & Hart Foundation is a 501(c)(3) organization with three primary goals:

1. Create opportunities for individual and group volunteerism at Holland & Hart
2. Foster a greater sense of community among the attorneys and staff of Holland & Hart
3. Do good in the communities in which we practice professionally

To achieve these goals, Holland & Hart attorneys, staff, and their families participate in volunteer-driven community events organized by the Foundation's office committees.
